

SHAMBALA PRESERVE

The Other Howard's Excellent Adventure

Saturday, July 10th at 11:30am

All visitors to the Shambala Preserve must be 18 years or older, no exceptions.

The Roar Foundation, founded in 1983 by Tippi Hedren, exists solely to support the abandoned exotic felines at Shambala Preserve. Our mission is to educate the public about the dangers of private ownership of exotic animals.

Shambala is home to approximately 65-70 big cats: lions, tigers, cougars, black and spotted leopards, servals, bobcats, Asian leopard cats, a jungle cat, a lynx, and one very magnificent liger.

The afternoon Safari planned program including a 1 hour guided walking tour. Gates will open at 11:30am and the tour is scheduled at 12:00.

We suggest that you wear comfortable, flat shoes. Shambala is located on unimproved land so you will be walking on dirt pathways and not paved roads. For this reason comfortable shoes are a must.

Also we ask that you do not wear shorts. This will protect you not only from the sun but also from low brush and shrubs.

Also remember to dress for the climate, dress in cool layers and remember a hat in the summer.

Reservations Must Be Made In Advance
