Subject: [PCC] August 12, 2017 Event

This PCC message is sent on behalf of Henry Lewis. Date: 7/11/2017 9:29:20 AM

Please direct any response to Henry at hlewis2@cox.net.

Corvette Enthusiast,

For those of you that were not at the meeting on Wednesday July 5, 2017, I announced that I was hosting an event to the Automotive Driving Museum on August 12, 2017. This is on the same day as the Del mar horse racing event.

The Museum is celebrating the Corvette and is putting on a car show for Corvettes with trophies awarded. Show hours are from 10 AM to 2PM and you must purchase a ticket online for \$15.00 to guarantee a parking space. Cost will be \$20.00 at the gate if there is space available.

To register and get your e-mailed ticket you need to do the following:

1. Log into there web site: www.theadm.org
2. Click on the Shop button at the top left
3. Click on Events
4. Click on the picture of the event and fill out the form, pay the fee and in the comments box, let them know you are coming with PCC members.
5. An entry ticket will be e-mailed to you.

At this time, the caravan plans on leaving Denny's on Sand Canyon on August 12, 2017, at 7AM. Becky and I did the trip over the weekend and it took us about 45 minutes. The event has space to park 150 Corvettes, and I think we need to leave early enough to get good spots.

If you have problems logging in to get your ticket, give me a call and I will walk you through it.
