Since Nancy and I don't do wine tours anymore and Rick Alpert made the mistake of calling me, I have made him winery visit coordinator.

If you have suggestions of wineries to go and related activities give him a call/mail.

I really thank him for stepping up.

So as it stands now:

-Room Coordinators - Gary and Jan Lane garyslane@hotmail.com -Winery Coordinator - Rick Alpert rickalpert@sbcglobal.net -Caravan up on Thursday run by Ray and Nancy - rmarsh3772@cox.net -Some little lunch tour somewhere on Friday - Ray and Nancy -Lighthouse tour on Saturday - Cate Riggs -Dinner Saturday evening - Gary and Jan Lane

I thanks the folks for stepping up. It should be quite a gathering.
