Autocross Event Details

Saturday • April 5 • 2014

Santa Maria Airport • Santa Maria • CA

These events are sanctioned by the National Council of Corvette Clubs, Inc. (NCCC). Autocross classifications are as outlined in NCCC guidelines. For members of NCCC, the sanction numbers are **WC-518-001**, **WC-518-002**, and **WC-518-003**. Non-NCCC members and all makes of cars and trucks are welcome to participate. All non-NCCC member participants, including non-NCCC Corvettes, will be placed in the Open Class.

Registration is accepted on-line only at motorsportreg.com. Registration is not the day of the event. If two participants are driving the same car, both must register as separate drivers. Participants must be at least 18 years old. Registrants will receive an email registration confirmation with car number. Please be sure your email address is correct on your on-line registration.

SNELL approved "SA" or "M" helmets less than 10 years old are required. Drivers must wear securely fitting shoes with closed toes. Entrants will be divided into two groups for both the morning and afternoon events. Unless physically unable, all participants will be asked to volunteer as course safety workers.

Santa Maria Airport is a TSA controlled facility with strictly enforced security. Vapor Trail Vettes must conduct this event accordingly. Participants must enter and leave via one secure gate monitored by a TSA guard. The gate will open at 7:30 and will be locked at 8:30 and unmanned until the event's conclusion. We strongly urge you to arrive no later than 8:00 to be sure you get checked-in, get your car tech checked, and walk the course before the drivers' meeting at 9:00. No one will be allowed to enter after 8:30. All participants must sign an event waiver and be issued a wrist band that must be worn at all times within the TSA boundaries. Once you enter the TSA controlled zone, you must leave through the secured gate only once. One entry and one exit only, so make sure that before you enter the facility you have everything you need for the day including enough fuel for all the events. All entrants must be a driver or a volunteer event worker. Sorry, TSA regulations do not allow this to be a spectator event.

Directions: Traveling **north on 101**, take the Clark Avenue exit west to Orcutt. Proceed west on Clark Ave. through Orcutt to S. Blosser Road. Turn right on S. Blosser Road and continue approximately 2 miles to the entrance gate on your left. • Traveling **south on 101**, exit at Betteravia Rd. Go west on Betteravia Rd. to S. Broadway (135). Take S. Broadway south (left) to Foster Rd. Turn right on Foster Rd. Take Foster Rd. to S. Blosser. Turn right on S. Blosser and proceed to the entrance gate on your left. (See map below)
